

OFFICIAL CABRINHA KITE CENTER IN SICILY

WWW.PROKITEALBYRONDINA.COM

Welcome

"Welcome to our ProKite Complex in Lo Stagnone, Sicily. During my career as PRO rider, I enjoyed kiting in many spots around the world and since early an age I wanted to share this passion with as many people as possible.

Finally, I found the spot in my home country that has all the desired qualities for every kiter – Lo Stagnone is a huge unspoiled natural reservation with a shallow flat water lagoon perfect to learn and enjoy kiteboarding. We built the complex directly at the beach where we are ready to provide you with a full range of service so that you can enjoy your time on the water to the fullest."
