# WELCOME

"Welcome to our ProKite RESORT in Lo Stagnone, Sicily. During my career as PRO rider, I enjoyed kiting in many spots around the world and since early an age I wanted to share this passion with as many people as possible.

Finally, I found the spot in my home country that has all the desired qualities for every kiter – Lo Stagnone is a huge unspoiled natural reserve with a shallow flat water lagoon perfect to learn and enjoy kiteboarding. We built the complex directly at the beach where we are ready to provide you with a full range of service so that you can enjoy your time on the water to the fullest."

## PE'AHU BEACH CLUB

The original Luxury Beach Club concept that combines the elements of music, dining, entertainment, art into our kiteworld destination.

### WHY PE'AHU?

Pe'ahi pay-AH-hee; Hawaiian:  
is a place on the north shore of the island of Maui in the U.S. state of Hawaii.  
It has lent its name to a big wave surfing break, also known as  
**Jaws.**

Even if we have flat water, the beach club must  
feel like a wave to overwhelm everyone.
